Dear Prospective Donor;

During the fall of 2009 High School Girls Volleyball Teams throughout West Virginia will participate in "Volleyball for the Cure" to benefit WV Susan G. Komen for the Cure.

The proceeds from all donations will benefit WV Susan G. Komen for the Cure. Tax ID # 75-2885304 and a 501(c)(3) non-profit charity.

Let's "Pack the Stands with PINK" as we support the efforts of the young women of teams throughout West Virginia. Attendees of these events will watch the girls play for the Cure while contributing to breast health awareness. The promise of Susan G. Komen is to save lives by empowering people, ensuring quality care for all and energizing science to find the cure. Be a part of the cure by supporting Volleyball for the Cure in your community.

All businesses making a contribution will be recognized via announcements at the event and on print materials at the local event for which they make a contribution.

THANK YOU sincerely for your consideration of the request for donations from the girl's volleyball teams in your community.

Yours truly,

Rebecca Newhouse  
President, WV Susan G. Komen
