KIDS ARE OUR BUSINESS!

September 24, 2008

Dear Norwood Elementary School Parents:

As you know, our goal is to exceed your expectations as your child's elementary school. We try very hard to make our school warm and inviting for you when you visit; and, we want to make your every visit a pleasurable experience.

We are in need of your help and cooperation since it is still early in the school year. **Unfortunately, especially at dismissal time in the afternoons we experience a heavy load of traffic congestion and illegal parking problems.**

The street belongs to the City of Stonewood. The parking lot across the street belongs to the Catholic Church and Parish. We are respectfully requesting your help, consideration, courtesy, and thoughtfulness for other drivers and parkers when they arrive to pick up their children after school. The school or the school board does not have the legal authority to confront traffic violators. That will be left up to local law enforcement.

We are doing our best to solve our traffic congestion and parking problems as kindly and courteously as possible. **Although we do not wish to do so at the present time, please know that we may have to solicit the help and guidance of the West Virginia State Police, the Stonewood Police Department and / or the Harrison County Sheriff's Department to direct traffic and target illegal parking in front of our school during the congested dismissal time in the afternoons.**

Please help us to solve this problem by simply doing the right thing in the right way for the right reason. We really need your help! Can we count on you?? Thanks!

Very truly yours,

Dr. Ben L. Guido, Principal
