You agree to notify the school promptly, in **writing**, of any change in financial responsibility for the student's food services at school resulting from marital separation or divorce.

You will be in default if you fail to pay the balance due on your monthly billing statement and have an unpaid balance of \$50 or more. **If you are in default, we have the right after notice of default has been given and you have failed to cure this default, to:**

If any amount becomes due in default and is referred to an attorney for collection, you will be responsible for fees, including attorney's fees and court costs, as allowed by law. You also agree to pay interest on any judgment at the statutory rate.
