Dear Seniors:

The Board of Directors of the Roosevelt Wilson/Washington Irving/Kelly Miller Alumni and Friends Foundation, Inc. announces that several scholarships of \$500 each will be presented to 2008 graduates of Robert C. Byrd High School. In 2007 nineteen seniors received these scholarships; board members hope to have even more this year.

Applicants must have been accepted by an accredited four-year college or university or an accredited vocational/technical school and have a cumulative grade point average of 3.00. They will complete the application including a brief essay, one letter of recommendation by a faculty member, and a wallet-sized picture and return to the guidance office by Thursday, April 3. Counselors will include a transcript of grades.

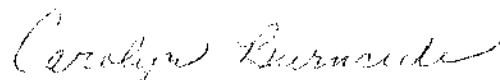

Evaluation criteria may include a different emphasis for different scholarships: neatly completed application, essay response, character reference, or evidence of community and school service in addition to academic commitment. Some scholarships may be slated for family members of graduates from the parent schools, so be sure to note that.

Scholarships will be presented at the foundation's annual meeting and dinner on Monday, April 21. We will notify recipients and their parents during the week before.

Alumni from Roosevelt-Wilson, Washington Irving, and Kelly Miller High Schools formed this foundation to benefit students of their "offspring" school Robert C. Byrd High School. These scholarships confirm the foundation's commitment to Byrd students.

Please complete the enclosed application and return it to the guidance counselor by the April 3 deadline.

Sincerely,

Carolyn Burnside
