Dear Parent(s):

Welcome to our school. I look forward to the opportunity of working with you in partnership to assure your child the very best educational experience possible. It is our firm commitment that we will provide our students, your children, a firm and lasting foundation upon which to build their future in school and life.

Our mission statement is:

The students, parents, staff and community of Simpson Elementary are working partners in providing a nurturing, child-friendly environment and the best education possible, to ensure success for all children.

We believe:

1. All children can learn and succeed.
2. School should be a place for all to feel safe and secure in a non-threatening and nurturing environment.
3. There should be a mutual respect, responsibility and good character promoted among students, staff, parents, and community.
4. Children should be provided appropriate and relevant instruction to enable them to reach their full potential.
5. Education is a shared responsibility of the school, family and community.

If we work together, we can ensure the bright future for your child that both you and we expect. Please take the time to carefully read the Parent Handbook that will come home with your child on the first day of school. It contains pertinent information regarding the policies and procedures in our school. There have been a few changes and you should make yourself aware of these. Please don't hesitate to contact me if you have any questions or concerns about school.

Sincerely,
