

PRE-K BUS TRANSPORTATION REQUEST

Students who attend Pre-k in their home school attendance area may request school bus transportation by completing the information below. Parents who have their children attend a school outside their regular school attendance area are responsible for students' transportation.

** Pre-k must wait with a parent or an adult designated on the transportation request form at the bus stop both morning and evening.*

** A parent or an adult designated on the transportation form must be present at the bus stop in the evening in order for the child to be left. In the case no parent or ADULT is present, the child (Pre-k student) will remain on the bus and be returned to the child's school or school bus garage.*

The police and the Department of Health and Human Resources may be called in these situations to take custody of the child and ensure his/her safety. In some cases, this may be considered child neglect or abandonment.

A goal of the Harrison County Pre-k Program is to provide every child who is age eligible with an opportunity to attend Pre-k. Representatives of childcare, CHOICES, CWVCAA Head Start, and the Harrison County Board of Education will meet to determine where a child will attend. We will make every effort to assign the child to the first choice. Take a moment to consider the child's needs such as before/after school care, transportation, siblings, etc. Thank you for your cooperation.
